

Kingfisher's Book Nest

Welcome to the Kingfisher's Book Nest formerly known as Friends of the Library. The Kingfisher's Book Nest is a program where everyone is able to participate in reaching our children through books and reading. You are able to purchase books for donation to KES Library from the list attached to this letter. Each book that is donated will have a bookplate inside the cover with a special message to your child from you. Reasons to donate...a birthday, Valentine's Day, St. Patrick's Day, any holiday, in memory of, your child's accomplishment but the most important reason of all is to fill our library with books that our children are interested in!!! Each child that has a book dedicated to him or her will have his or her name read over the morning announcements. Books donated in memory of someone will also be read over the announcements. After the announcement they will be the VERY FIRST child to check the book out from the library. They will also receive a special bookmark to remind them of the book that is now part of KES Kingfisher's Book Nest.

When making your book selection for donation, please choose at least 5 and number them in order of your preference for giving. Books will be labeled on a first come first serve basis. Please make your check payable to KES PTA. When returning your selection on the outside of your envelope please write Kim Lindhorst c/o Allison Lindhorst Mrs. Sokolis. Thank you for your gift and enjoy reading with your Kingfisher and filling our nest with books!!!

Please stop by the library the next time you are at school to see the new displays supporting The Kingfisher's Book Nest program. There is a display of books purchased as well as books that can be purchased.

On the back of this letter is the form that you will need to complete and return.

Happy Reading!!!
